

Diffuser™

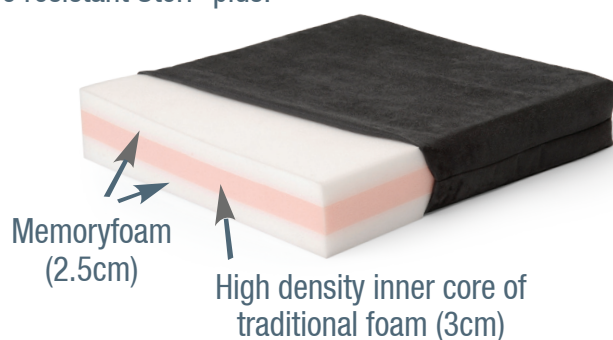

Diffuser Cushion – Optimum pressure relief in luxurious memory foam

- Specially formulated, premium density viscoelastic foam conforms and cushions for near-weightless comfort and support.
- Unique inner core of high density non-memory foam protects cushion from ‘bottoming out’ under continual use.
- Specially treated for the effective control of mould, mildew, bacteria, and dustmites.
- Two cover options: Durafab hard-wearing fabric, or in moisture resistant Steri-plus.

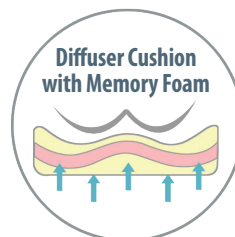

Available in 2 sizes:

Regular: 44 cm x 42 cm x 7.5 cm

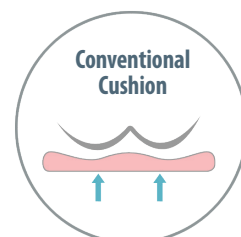

Large: 49 cm x 46 cm x 7.5 cm

Diffuser's unique internal core consists of high-density traditional foam ensures cushion strength & support qualities are retained under continued load bearing. Memoryfoam with traditional foam – best of both worlds.

Even distribution of pressure
with Diffuser Cushion

Uneven dispersion of pressure
without Diffuser Cushion

Ideal for wheelchairs, outdoor and indoor, and for office and car. Absorbs shearing forces, reduces pressure on tissues.
